

SAXI GRIGLANI

Accounting & Finance Professional

+91-6351874166 • shaxigriglani150@gmail.com • Surat, Gujarat – 395009, India

CAREER PROFILE

Results-driven accounting and finance professional with 4+ years of progressive experience across bookkeeping, financial reporting, payroll, and Australian tax compliance (BAS/IAS/STP). Proficient in cloud-based ERP platforms and automation tools, with a strong track record of streamlining workflows, ensuring regulatory compliance, and delivering accurate financial insights that support strategic decision-making.

PROFESSIONAL EXPERIENCE

Accountant | Auzin Advisory Pvt Ltd Jan 2024 – Present

- Prepared and lodged Business Activity Statements (BAS) and Instalment Activity Statements (IAS) in full compliance with ATO requirements.
- Managed end-to-end Accounts Receivable and Accounts Payable, including invoicing, debtor management, vendor reconciliations, and credit control.
- Administered payroll processing with Single Touch Payroll (STP) lodgements and accurate Superannuation Guarantee Contributions (SGC).
- Delivered monthly MIS reports, management accounts (P&L, Balance Sheet, KPI dashboards), and variance analysis to senior management.
- Performed cash flow forecasting, budget monitoring, and liquidity reporting to support business planning.
- Maintained general ledger accuracy through manual journal entries for accruals, adjustments, and corrections.
- Introduced automation tools to streamline reporting workflows, significantly reducing reporting timelines.
- Supported external audits with reconciliations, compliance schedules, and documentation.
- Ensured compliance with GST, PAYG withholding, Payroll Tax, and Fair Work standards.

Accountant & HR Executive | DB Engineers Apr 2021 – Dec 2023

- Maintained day-to-day accounting including Cash Book, Bank Reconciliation, Purchase, Sales, Payments, and Receipts registers.
- Prepared monthly Profit & Loss accounts and Balance Sheets for management review.
- Processed vendor invoices, generated purchase orders, tax invoices, and posted transactions to accounting software.
- Managed TDS computations and compliance documentation.
- Processed payroll, examined employee expense claims, and assisted with PF/ESIC statutory documentation.
- Oversaw HR responsibilities including salary sheets, employee benefits, training coordination, and workplace compliance.
